The murderous beast Alan Garcia, head of this reactionary APRA government, having carried out the counterrevolutionary imperialist policy of burn all, kill all, loot all, as well as expressing his deep class hatred of the proletarians and the people, ordered his armed forces to perpetrate another vicious genocide against the prisoners of war who were demanding the implementation of the agreement defending the rights already won (approved by the APRA government in October 1985).

The APRA government, with its reactionary practice of isolating, neutralizing and fighting the proletariat, peasantry and people, singles out our invincible People's War and the Communist Party of Peru that leads it victoriously. It uses its bureaucratic and military apparatus to carry out its counterrevolutionary tactics with the unconditional and servile political endorsement of the counterrevolutionary leadership of the United Left, as well as of the renegades and anti-communist traitors of the Socialist International, gathered together in Lima to give their support to this rotten representative democracy and its genocidal leader, Alan Garcia.

The reaction knows that the eleventh hour appeasers and that it becoming more frenzied and sadistic. The armed forces — who know only defeats and how to repress the unarmed people — carried out orders of the APRA government and acted worse than the Spaniards and Nazis. With cruelty, fury, and unlimited

savagery they have perpetrated vicious genocide against the prisoners of war by bombing, burning, machine-gunning and killing the wounded and survivors by firing squad — a cowardly and vile massacre. They have wiped out more than 250 prisoners of war, part of the best sons and daughters of the people, who carried out with revolutionary heroism their pledge to defend the morale of the class, which we keep at its highest.

Political responsibility for this vicious and abject genocide lies with Alan Garcia. This will not go unpunished, regardless of how much time goes by and the just punishment we find.

We call on our people to **COMBAT, RESIST AND BEAT BACK** the aggression of the APRA government and its policies of more starvation and more genocide. We are destroyers of the old bureaucratic landlord state and its imperialist backers. We are builders of the new world that today is being concretized in the **PEOPLE'S NEW DEMOCRATIC REPUBLIC (PNDR)** which is flowering and developing victoriously in the countryside.

We pay a just and deserved tribute to the prisoners of war who, in unequal combat but with superior morale, wrenched glory from death and won a political victory over the enemy. We declare with unshakable faith the triumph of our invincible People's War, our powerful and transforming ideology of **MARXISM-LENINISM-MAOISM-GUIDING THOUGHT OF CHAIRMAN GONZALO**. Under the wise leadership of **CHAIRMAN GONZALO**.

**LONG LIVE CHAIRMAN GONZALO!!**

**LONG LIVE MARXISM-LENINISM-MAOISM-GUIDING THOUGHT!!**  
**LONG LIVE THE COMMUNIST PARTY OF PERU!!**

**LONG LIVE THE PEOPLE'S GUERRILLA ARMY!!**  
**LONG LIVE THE PEOPLE'S NEW DEMOCRATIC REPUBLIC!!**

**ETERNAL GLORY TO THE HEROES OF THE PEOPLE!!**  
**GENOCIDAL ALAN, THE ARMED PEOPLE WILL SMASH YOU!!**
